

Flat Carmen

Here's your chance to treat Carmen to an outing for her birthday!!!

Just cut out 'Flat Carmen' and take her with you. That's all there is to it. Of course, you can also take a selfie with Flat Carmen if you go out to lunch and post it on Facebook, Instagram or Twitter (@faithfulfools and #FoolsWalknRoll).

Or just email a picture of your adventures with a little description to fools@faithfulfools.org.

Flat Carmen has been spotted in a marigold garden, among the stars in the night sky, and with friends near and far. To see where Flat Carmen has been check out our Walk n' Roll Blog at faithfulfools.org/blog.

We look forward to seeing what adventures you've been having!!!
